Hope Institute of Bengal (B. Ed. Section) is Recognized by NCTE, ERC and affiliated to West Bengal University of Teachers’ Training, Education Planning and Administration (WBUTTEPA) situated in Village-Beldubi, P.O.- Beldubi, P.S.- Panchla, Dist.- Howrah, PIN- 711322, West Bengal, India in 2010. It is a renowned B. Ed. College in West Bengal run and managed by Hope Educational and Welfare Trust. Its modern facilities, with Wi-Fi Zone, LMS, OPEC, Excellent Faculties, Well equipped Library and Laboratory make it different with other colleges. It has three well decorated buildings, two for B. Ed. Section and one for D. El. Ed. Section. It feathered in 2016 by offering D.EL.ED course recognized by NCTE and affiliated to WBBPE. A fully residential school up to class XII is also running under the same Trust, Hope Educational and Welfare Trust.

OUR MISSION:

Hope Institute of Bengal, a composite College (B. Ed. and D. El. Ed. Section) aspires to offer quality teacher-education to build up good teachers in the Primary, Secondary and Higher Secondary section in order to empower our nation.

OUR VISSION:

- To develop an understanding of the principles of pedagogy and its application to curriculum transaction and evaluation.
- To develop in students the skills and competencies necessary to play the multifaceted role of the teacher in the new millennium.
- To provide opportunities to the Teacher Educators and the Student-Teachers to undertake action research projects contributing to new insights into the teaching learning process.

- To enable the students to live in harmony with oneself and with others in the profession, community and society at large.
- To inspire students for lifelong learning and for reaching the unreached.

Focal theme of the seminar

Education is one of the significant instrumental factors on which the development of a country depends. It should be transformed to the needs of the time and changing scenario of the world. Teachers play an important role in any education system. Teacher is an artist who inbounds and shapes the Physical, Intellectual, emotional aspects of children. The level of achievement of learners is determined by a teacher competency. Teacher education is a program related with teacher proficiency and competence that is not only limited with books but has broadened in various new horizons. The paradigm shift in teacher education has revolutionized teaching learning process at all levels. In this age of globalization no country can live in isolation without seeking impact of global trends and a change in the field of teacher education it is the most important tool in national development. Proper utilization of human, physical and academic resources may help us to meet successfully the new challenges of the emerging society and the problem of teacher education in the new millennium.

The key areas of the Seminar will highlight on the following sub themes-

Sub themes -

1. Elementary teacher education- Problems & Prospect
2. Primary teacher education- Problems & Prospect.
3. Teachers training and challenges in preparing teacher educators.
4. Scope of teacher education course.
5. Teacher education and contemporary issues.
6. Challenges and solutions to teacher education programme.
7. Quality management of teacher education institutes.
8. Inclusiveness in teacher education.
9. Teacher education for special children- problems & prospects.
10. Public, private partnership for bridging the gap in teacher education.
11. Policies and planning of teacher education- problems & prospects so far.
12. Implication of teacher education curriculum- a realistic overview.
